#### PETER MacCALLUM CANCER FOUNDATION FOR CANCER RESEARCH

The beneficiary of the rally, Peter MacCallum Cancer Foundation, is the fundraising arm of Peter Mac, Australia's foremost cancer centre.

Peter Mac is the only public hospital in Australia that is solely dedicated to cancer. At Peter Mac, researchers work directly alongside clinicians to give people with cancer their best chance of cure. The researchers are only too aware of the urgency of translating findings made at the laboratory benchtop to the patient bedside.

Sir Peter MacCallum, who founded the centre almost 70 years ago, believed that only the best was good enough in the care of people with cancer. Peter Mac continues this tradition today.

100% of all donations and all public entry gate proceeds go to Peter MacCallum Cancer Foundation for cancer research.

We welcome EastLink as naming Sponsor for the 2019 rally and to you for participating in the rally and helping to raise vital funds for Peter Mac. To date, nearly \$800,000.00 has been donated from past events.
