The Volvo Club of Victoria invites you to join us in Echuca-Moama for the 2024 Volvo Car Clubs of Australia National Rally.

Rally Entry is now Open!

Entry is now open for National Rally Participants.

The entry/registration form is inserted as a loose-leaf flyer in this edition of *Rolling Australia* and will also be emailed to everyone who responded to the previous requests for Expressions of Interest.

Please complete and return the Entry Form and pay the entry fees ASAP (please pay no later than 30th June as we need firm numbers for planning purposes).

Note the rally entry fee includes the following items:

- » Rally Pack with commemorative medallion and other goodies
- » Friday night Welcome Function (grazing table & canapés at The American Hotel)
- » Sunday Display Day entry with the chance to win a trophy
- » Weekend event door prizes & give-aways
- » Monday Farewell Breakfast Buffet

Final costs for the Saturday night function (BBQ buffet dinner & barefoot bowls at Moama Bowling Club), Sunday presentation function (3-course dinner at Radcliffe's Function Centre), Rally polo shirts, and any local touring options will be advised once any sponsorship monies are received.

Confirmation of costs and request for final payment will be sent no later than the 1st of September, and final payment will be due by the 25th of September.

Sunday Car Display Day

There will be formal car judging at the Display Day as well as people's choice for "Cars of the Show". Rally participants must indicate on their Rally entry form whether they want their car to be formally assessed by a panel of experienced/independent judges who will fully assess a car's interior, exterior & engine bay.

All cars registered to attend the National Rally and present at the Car Display Day are eligible for people's choice voting and a potential "Cars of the Show" award.
